

# Student Code of Conduct

At St Paul's Primary School, Mt Lawley, we are Christ-centred and want to feel **Happy**, **Safe**, **Respected** and **Successful**.

- In order to feel **HAPPY** we will do things we enjoy and be kind to one another. When someone isn't feeling this way, or there is conflict, we will listen to them and support them to feel better.
- In order to feel **SAFE** we will be honest with each other to build trust and respect each other's privacy.
- When someone isn't feeling this way, or there is conflict, we will talk to them and stand up for them by telling a trusted adult.
- In order to feel **RESPECTED** we will show respect to others by listening, helping, caring and accepting everyone for who they are.
- When someone isn't feeling this way, or there is conflict, we will give them space and remind them that they are valued.
- In order to feel **SUCCESSFUL** we will be dedicated to trying our best and being resilient. When someone isn't feeling this way, or there is conflict, we will encourage them and come up with a plan to improve.

By doing these things together we prevent bullying, harassment and other forms of peer-to-peer abuse; and we show respect for the privacy and human dignity of others.

My parents and teachers have helped me understand our Student Code of Conduct and the school's Behaviour Policy. I understand that it is my responsibility to do my part. I will follow it to the best of my ability and support others. I am proud to be a St Paul's student!
