## **Quality Catholic Education School Review**

Dear Parents/Community

The Quality Catholic Education School Review (QCESR) provides an opportunity for a panel of educators, external to the school, to affirm, challenge and report on the improvement journey at the school including the principal and leadership team's impact in delivering quality Catholic education.

The QCESR focuses on measuring the effectiveness of the school's engagement with self-review, the impact of leadership actions, and the future directions for the improvement of student outcomes that the school has identified.

The QCESR Panel will be visiting our school on 22 and 23 September 2025. As part of the process they will be meeting with the Principal, Leadership Team, a selection of staff, a selection of students, Parish Priest and nominees from the Catholic School Advisory Council and P&F group.

At the conclusion of the QCESR Panel visit, a report will be completed, providing comments on the school improvement processes and strategic direction and will be written and forwarded to school leadership and CEWA Executive Director.

Kind regards

Nicola Lee
