School Advisory Council
Chair's Report

2025 Focus - Strategy Implementation

- In 2024 the SAC refreshed the St Paul's Strategic Plan – 2025-2029
- In 2025 we focussed on helping to implement the strategy, initiating activities across the four strategic objectives

	Catholic Identity	Education	Community	Stewardship
Strategic objectives	Guide students and families in Christ, fostering Catholic values and nurturing their faith within a welcoming and supportive pastoral environment.	Achieve excellence and individual growth for students of all abilities through best practice teaching and a supportive learning environment.	Develop socially conscious students engaged in the world around them. Foster collective well-being through strong partnerships with parents, Parish and community.	Cultivate an inclusive, collaborative culture. Ensure the school's leadership, resources, and environment enable staff and students to excel.

St Paul's Vinnies School Sleepout

Community - Community outreach initiatives and partnerships

- The SAC coordinated a Vinnies School Sleepout for the Year 4's
- The event raised awareness and provided some much-needed funds towards programs supporting people experiencing homelessness and poverty

School Grounds Safety

Stewardship - Improvement of the school's resources and facilities

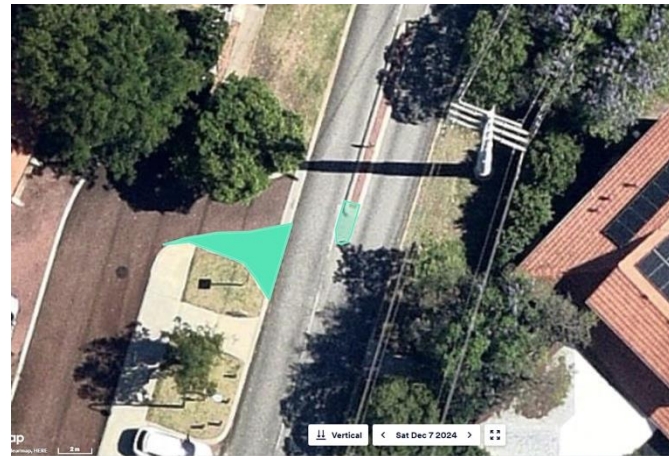

- It has been observed that safety within the school grounds can be improved, by installing fencing around the top lawn
- The SAC had initial engagements with the member for Mount Lawley Frank Paolino, CEWA and the City of Stirling to secure use of the land – discussions are ongoing.

Traffic and Parking

Stewardship - Improvement of the school's resources and facilities

- The SAC is working to improve the kiss and drop, traffic and parking situation before and after school
- The SAC has engaged with school leadership, the City of Stirling and CEWA WHS to derive several solutions.
- We hope to be able to implement some of these early in the new year

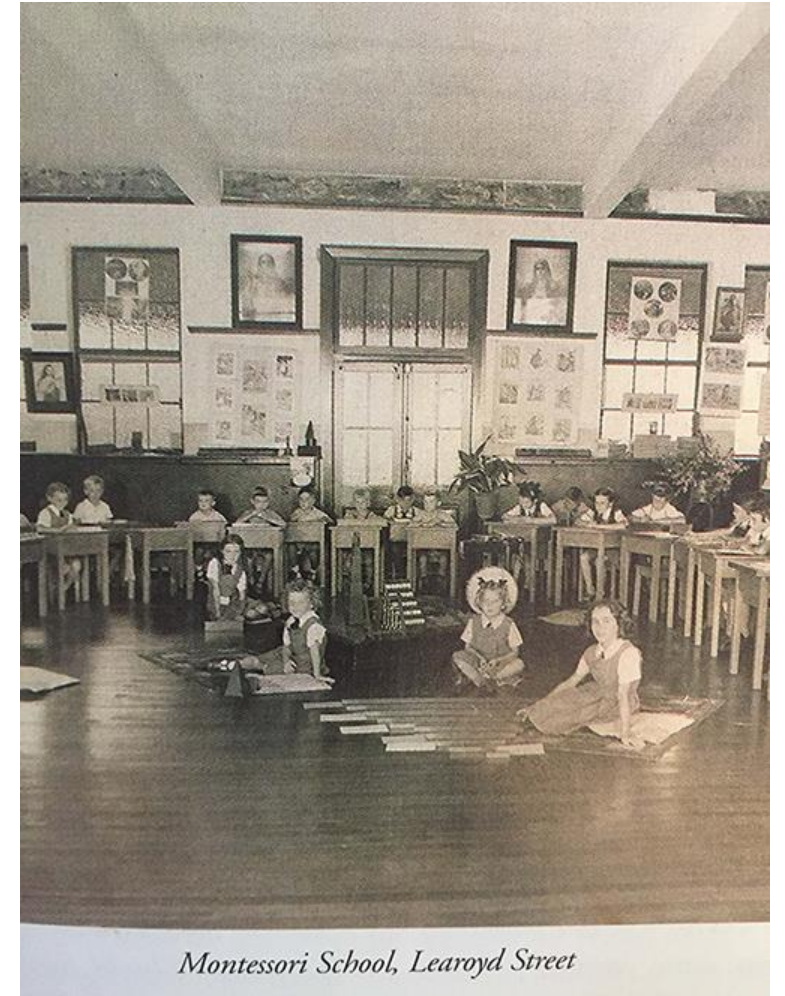

Sisters of Our Lady of the Missions

Catholic Identity - opportunities for students and their families to participate in active service in the community.

- Founded St Paul's Catholic Primary School
- We reconnected with the Sisters of Our Lady of the Missions, to teach the students and the school community about the history of the order, its work around the world and the special relationship with St Paul's.
- Along with the P&F we will look for ways support the order in the ongoing and extraordinary work it is doing.
